

SPOUTRAGEOUS DEPT.

Each year, Manufacturers spend billions on new package designs for their products, but the caps for those products remain pretty much the same. Though they effectively pour, squirt, spray, ooze, stick to fingers and backfire in your face, the caps are as uninteresting and dull as the products they dispense. To remedy this oversight, (and justify this article!) our clever title writers have come up with...

# LIVELY DISPENSER CAPS FOR DULL PRODUCTS

ARTIST AND WRITER: AL JAFFEE

REGULAR DISPENSER CAPS ARE FUNCTIONAL BUT UNIMAGINATIVE...

NEW MAD-INSPIRED DISPENSER CAPS DISPENSE HUMOR ALONG WITH PRODUCT!
